Worldview Components in Africa:  
Fourteen Meaningful Components

Worldview Components in The USA:  
Traditional – 18 Components  
Modern – 18 Components  
Postmodern – 18 Components

# CONCLUSIONS

1. Three Strong African Worldview Components.
2. Taking SPECLS seriously in the USA
3. The seen and unseen parts of reality are an integrated oneness.
4. Holistic over against separated/segregated and differentiated
5. **We need Bible-based, reformation and spiritual pastors and leaders with reformed worldviews who are ready to breath, live and speak the Good News of Jesus the Christ in all of their realities.**
6. **Soli Deo Gloria.**
