Loving God

Loving Each Other

COME AS ^{you}R

Cowboy Worship Service

You don't have to dress up. You don't have to pretend your life is perfectly in order. You won't be bored - but encouraged, challenged and taught how to connect with God.

Our goal is to help people experience an intimate and loving relationship with Jesus. We want to help people find their way back to God. We believe He can be found by learning about Jesus Christ in the Bible.

In this world, we all feel lost at one point or another, and so many things can get in the way of our walk with God. The good news is that Jesus came to seek and save those who are lost - people like us. Our church isn't perfect, but we're real, honest and serious about getting to know God.

Our Spiritual Journey

Our desire is to be a church where you can ask spiritual questions as well as spiritually seek answers. Zion wants to be a church where you can feel welcome. We want to be a church where you can feel at home.

Whatever your background, wherever you are on your spiritual journey, we hope you will feel accepted and loved as you progress.

Please join us and be our guest! No matter your age, no matter where you are from, no matter what your background, there is a place for you at Zion.

You will meet a great mix of friendly people, hear relevant messages, enjoy compelling programs and much more. Come as you are, be who you are, and your seat is saved just for you!

When we worship Him, we imitate the angels. We get a glimpse of the next. Worship is not just a song.

Come As You Are

Pray

God doesn't just call people. He calls them together. He is not creating "only children" - He is creating brothers and sisters. People who follow Jesus are part of a family, a community, a people who pray with one another as they are for each other.

Grow

We believe everyone is on a spiritual journey moving ever closer to our Father. Whether you are new to knowing God personally or are looking for more to help you with your walk we want to help. Please know we are not afraid of questions about these matters.
